

CONCEPT BRIEF • A REDLN VENTURE • PREPARED FOR ALSERKAL AVENUE

THE REGION'S FIRST COMPETITIVE FITNESS CLUB.

REDLN is where everyday athletes race head-to-head – solo or in teams, across a season – on the floor of the **DXB Race-haus**, our custom-built arena. Named for the redline: the moment before your body quits, and the line you're built to cross. Race days run as a live production powered by **Redline CORE™**, alongside coached classes, a social house and a store year-round. **Train, compete, repeat.**

TRAIN / COMPETE / REPEAT

The REDLN loop – coached classes through the week, real races on the weekend, and a home in **Dubai** you keep coming back to.

BUILT IN DUBAI • MADE TO DUBAI-IT

Born in the city that turned its own name into a verb – to *Dubai-it* is to do the extraordinary, with excellence, in record time. Homegrown, not franchised – and proud of it.

CONCEPT RENDER INSIDE REDLN – WELCOME, RETAIL, THE CAFÉ-LOUNGE AND THE DXB RACE-HAUS ENTRANCE, UNDER ONE ROOF.

FIG.01 THE CONCEPT

WHY WE EXIST

A GYM YOU DON'T JUST JOIN. ONE YOU **COMPETE IN.**

Millions of people train hard – but almost none of them get to race. Real competition is rare: a handful of events a year you wait months for, or travel to another city to reach. So most people who put in the work have nothing to point at.

REDLN gives competition a permanent home – a **weekly habit you build with your team**: coached classes through the week, real races every weekend, a season to climb. Competition made **local, regular and open to everyone**, every level. And it's **homegrown** – born in Dubai and built to Dubai-it.

AND THAT'S WHY WE RACE: TO DO SOMETHING EXTRAORDINARY – IN RECORD TIME.

SIMPLE TO START. HARD TO PUT DOWN.

Easy to pick up, and never the same twice. Every race blends **erg stations** – row, ski, bike, run – with **bodyweight strength**: honest, functional movements, no specialist skills, scalable for a first-timer or an elite athlete. A **brand-new race each season**, entered **solo or in teams** – the clock decides it, and everyone gets a real, chip-timed result.

CONCEPT RENDER THE DXB RACE-HAUS ON RACE DAY – NUMBERED LANES, A LIVE LEADERBOARD AND EVERY ATHLETE ON THE FLOOR.

THE RHYTHM.

ALL WEEK

TRAIN

Open coached classes for every level – inspired by the race, not the race itself. The everyday training that builds you toward the weekend.

EVERY WEEKEND

RACE

The week's classes lead into weekend race sessions at the DXB Race-haus – chip-timed, run as a live production, leaderboard live. Your result, every week.

ACROSS THE SEASON

CLIMB

Results stack across the season and up the leaderboard, building to a season finale. Something real to chase, week after week.

TWICE A YEAR

GO AGAIN

Two seasons a year, and the race is redesigned every season – never the same challenge twice, so there is always a new goal.

Every result, live. Powered by **Redline CORE™**, every split and finish posts to the **live leaderboard** the instant it happens – up on the big screens across the DXB Race-haus. It turns training into a spectator sport, and gives everyone a rank to chase.

Two season finales a year. Each season builds to a finale where the season's **top teams and top solos** go head-to-head for the title – the peak of the season, and the moment everyone trains for.

MORE THAN A WORKOUT. A COMMUNITY.

Everything shares one floor and one community – each a reason to be part of REDLN.
Not just a place to train, but a place to belong.

RACE

THE WEEKEND RACES

The heart of it – team and solo races at the DXB Race-haus, run as a live event. Friends, family and the community welcome to come, watch and cheer.

TRAIN

COACHED CLASSES

Immersive, coached training year-round for every level – the everyday habit that builds the fitness, the friendships and the team.

GATHER

THE SOCIAL HOUSE

Not just a café – a relaxed place to meet, hang out and get work done, run by a recognisable homegrown brand people already know and love.

WEAR

THE STORE

Quality gear and apparel – the kit members actually want to train and race in, and to wear beyond the club.

THE RIGHT HOME. THE RIGHT COMMUNITY.

Alserkal isn't just a location for REDLN – it's the right community for it. A club lives or dies on the people around it, and this is where our people already are.

COMMUNITY

A CROWD THAT ALREADY GATHERS

Alserkal draws a curious, active, creative community who come to spend real time – not just pass through. Exactly the community a club is built around.

ACCESSIBLE

EASY TO MAKE A HABIT

A central, well-known destination people can fold into their week – so racing becomes a regular part of life, not a special trip across the city.

ENERGY

REAL CHARACTER AND SOUL

A place with genuine culture and energy. REDLN adds sport, movement and team spirit to the mix – and feeds off the same energy in return.

HOMEGROWN

WHERE HOMEGROWN BELONGS

REDLN is homegrown and built to Dubai-it, not franchised – and Alserkal is home to independent, homegrown makers and brands. This is exactly where it belongs.

WE'D LOVE TO MAKE ALSERKAL HOME.

We believe REDLN belongs at Alserkal Avenue. To take it forward, we'd welcome your response to this concept – and the details we'd need to find the right space.
