CONCEPT BRIEF • A REDLN VENTURE • PREPARED FOR ALSERKAL AVENUE

THE REGION'S FIRST COMPETITIVE FITNESS CLUB.

REDLN is where everyday athletes race head-to-head — solo or in teams of four, across a season — on the floor of the **DXB Race-haus**, our custom-built arena. Named for the redline: the moment before your body quits, and the line you're built to cross. Race days run as a live production powered by **Redline CORE™**, alongside coached classes, a social house and a store year-round. **Train, compete, repeat.**

TRAIN / COMPETE / REPEAT

The REDLN loop — coached classes through the week, real races on the weekend, and a home in **Dubai** you keep coming back to.

BUILT IN DUBAI • MADE TO DUBAI-IT

Born in the city that turned its own name into a verb — to *Dubai-it* is to do the extraordinary, with excellence, in record time. Homegrown, not franchised — and proud of it.

FIG.01 THE CONCEPT

WHY WE EXIST

A GYM YOU DON'T JUST JOIN. ONE YOU **COMPETE IN.**

Millions of people train hard — but almost none of them get to race. Real competition is rare: a handful of events a year that you wait months for, or travel to another city to reach. So most people who put in the work have nothing to point at — no start line, no team counting on them, no moment that makes the training mean something.

REDLN gives competition a permanent home. Racing stops being a once-a-year event you chase, and becomes a **weekly habit you build with your team**: coached classes through the week, real races every weekend, a season to climb and people beside you the whole way. Competition made **local, regular and open to everyone** — every level, every age. And it's **homegrown** — born in Dubai and built to Dubai-it, not flown in from somewhere else.

NOT A GYM YOU VISIT. A TEAM YOU BELONG TO — AND A START LINE THAT'S ALWAYS NEAR.

SIMPLE TO START. HARD TO PUT DOWN.

Easy to pick up, and never the same twice. Every race blends **erg stations** — row, ski, bike, run — with **bodyweight strength**: honest, functional movements, no specialist skills, scalable for a first-timer or an elite athlete. A **brand-new race each season**, entered **solo or as a team of four** — the clock decides it, and everyone gets a real, chip-timed result.

CONCEPT RENDER

THE DXB RACE-HAUS ON RACE DAY — NUMBERED LANES, A LIVE LEADERBOARD AND EVERY ATHLETE ON THE FLOOR.

ALL WEEK

TRAIN

Open coached classes for every level — strength and conditioning inspired by the race, not the race itself. No experience needed to start, and new faces are always welcome.

EVERY WEEKEND

RACE

The week's classes lead into weekend race sessions on the club floor — chip-timed, run as a live production, with the leaderboard live. Your result, every week.

ACROSS THE SEASON

CLIMB

Results stack across the season and up the leaderboard, building to a season finale. Something real to chase, week after week.

TWICE A YEAR

GO AGAIN

Two seasons a year, and the race is **redesigned every season** — never the same challenge twice, so there is always a new goal to chase.

Two season finales a year. Each season builds to a finale where the season's **top teams and top solos** go head-to-head for the title — the peak of the season, and the moment everyone trains for.

FIG.03 UNDER ONE ROOF

A PLACE, NOT JUST A GYM

MORE THAN A WORKOUT. A COMMUNITY.

Four things share one floor and one community — each a reason to be part of REDLN. Not just a place to train, but a place to belong.

CONCEPT RENDER

RACE DAY ON THE FLOOR – THE ARENA, THE PARTNER AREA AND THE COMMUNITY AROUND THE LANES.

RACE

THE WEEKEND RACES

The heart of it – team and solo races on the club floor, run as a live event. Friends, family and the community welcome to come, watch and cheer, whatever their age.

TRAIN

COACHED CLASSES

Immersive, coached training year-round for every level and age – the everyday habit that builds the fitness, the friendships and the team.

GATHER

THE SOCIAL HOUSE

Not just a café – a relaxed place to meet, hang out and get work done, run by a recognisable homegrown brand people already know and love.

WEAR

THE STORE

Quality gear and apparel – the kit members actually want to train and race in, and to wear beyond the club.

THE RIGHT HOME. THE RIGHT **COMMUNITY.**

Alserkal isn't just a location for REDLN — it's the right community for it. A club lives or dies on the people around it, and this is where our people already are.

COMMUNITY

A CROWD THAT ALREADY GATHERS

Alserkal draws a curious, active, creative community of all ages who come to spend real time — not just pass through. That is exactly the community a club is built around.

ACCESSIBLE

EASY TO MAKE A HABIT

A central, well-known destination people can fold into their week — so racing becomes a regular part of life, not a special trip across the city.

ENERGY

REAL CHARACTER AND SOUL

A place with genuine culture and energy. REDLN adds sport, movement and team spirit to the mix — and feeds off the same energy in return.

HOMEGROWN

WHERE HOMEGROWN BELONGS

REDLN is homegrown and built to Dubai-it, not franchised — and Alserkal is home to independent, homegrown makers and brands. This is exactly where it belongs.

FIG. 05 THE ASK

NEXT STEP

WE'D LOVE TO MAKE ALSERKAL **HOME.**

We believe REDLN belongs at Alserkal Avenue. To take it forward, we'd welcome your response to this concept — and the details we'd need to find the right space.

WE'D LIKE TO HEAR

YOUR RESPONSE & WHAT'S AVAILABLE

- Your thoughts on the REDLN concept.
- Which units are currently available – and their sizes.
- Indicative rental and lease terms.
- A time to meet and view the space.
