

CONCEPT BRIEF
• ALSERKAL AVENUE

CONCEPT BRIEF • A REDLN VENTURE • PREPARED FOR ALSERKAL AVENUE

THE REGION'S FIRST COMPETITIVE FITNESS CLUB.

REDLN is where everyday athletes race head-to-head — solo or in teams of four, across a season — on the floor of the **DXB Race-haus**, our custom-built arena. Named for the redline: the moment before your body quits, and the line you're built to cross. Race days run as a live production powered by **Redline CORE™**, alongside coached classes, a social house and a store year-round. **Train, compete, repeat.**

TRAIN / COMPETE / REPEAT

The REDLN loop — coached classes through the week, real races on the weekend, and a home in **Dubai** you keep coming back to.

BUILT IN DUBAI • MADE TO DUBAI-IT

Born in the city that turned its own name into a verb — to *Dubai-it* is to do the extraordinary, with excellence, in record time. Homegrown, not franchised — and proud of it.

FIG.01 THE CONCEPT

WHY WE EXIST

A GYM YOU DON'T JUST JOIN. ONE YOU **COMPETE IN.**

Millions of people train hard — but almost none of them get to race. Real competition is rare: a handful of events a year that you wait months for, or travel to another city to reach. So most people who put in the work have nothing to point at — no start line, no team counting on them, no moment that makes the training mean something.

REDLN gives competition a permanent home. Racing stops being a once-a-year event you chase, and becomes a **weekly habit you build with your team**: coached classes through the week, real races every weekend, a season to climb and people beside you the whole way. Competition made **local, regular and open to everyone** — every level, every age.

NOT A GYM YOU VISIT. A TEAM YOU BELONG TO — AND A START LINE THAT'S ALWAYS NEAR.

SIMPLE TO START. HARD TO PUT DOWN.

One repeatable format, nothing to be intimidated by. The race blends **erg stations** — row, ski, bike, run — with **bodyweight strength**: honest, functional movements with no specialist skills, scalable for a first-timer or an elite athlete. Enter **solo or as a team of four**; the clock decides it, and everyone gets a real, chip-timed result.

CONCEPT RENDER

THE DXB RACE-HAUS ON RACE DAY — NUMBERED LANES, A LIVE LEADERBOARD AND EVERY ATHLETE ON THE FLOOR.

ALL WEEK

TRAIN

Coached classes for every level, programmed toward the race — you train alongside the same people you'll race with on the weekend.

EVERY WEEKEND

RACE

The week's classes lead into weekend race sessions on the club floor — chip-timed, run as a live production, with the leaderboard live. Your result, every week.

ACROSS THE SEASON

CLIMB

Results stack across the season and up the leaderboard, building to a season finale. Something real to chase, week after week.

TWICE A YEAR

GO AGAIN

Two seasons a year, each with a fresh challenge — so there is always a new goal, and a reason to come back and beat your last self.

MORE THAN A WORKOUT. A COMMUNITY.

Everything shares one floor and one community, so the club is alive from morning to night — and gives people a reason to keep coming back, not just to train, but to belong.

CONCEPT RENDER

ARRIVALS — THE WELCOME, RETAIL AND THE SOCIAL HOUSE, WITH THE ARENA BEYOND. A PLACE PEOPLE SPEND THE DAY, NOT JUST AN HOUR.

RACE

THE WEEKEND RACES

The heart of it — team and solo races on the club floor, run as a live event. Friends, family and the community welcome to come, watch and cheer, whatever their age.

TRAIN

COACHED CLASSES

Immersive, coached training year-round for every level and age — the everyday habit that builds the fitness, the friendships and the team.

GATHER

THE SOCIAL HOUSE

Not just a café — a place to relax, meet and work. A daytime co-working and remote-work spot that keeps the club buzzing all day, run by a recognisable homegrown brand people already know and love.

BELONG

THE STORE

Gear and apparel that let members carry the badge into the rest of their week — the club, worn with pride, out in the city.

FIG. 04 WHY ALSERKAL AVENUE

THE RIGHT COMMUNITY

THE RIGHT HOME. THE RIGHT COMMUNITY.

Alserkal isn't just a location for REDLN — it's the right community for it. A club lives or dies on the people around it, and this is where our people already are.

COMMUNITY

A CROWD THAT ALREADY GATHERS

Alserkal draws a curious, active, creative community of all ages who come to spend real time — not just pass through. That is exactly the community a club is built around.

ACCESSIBLE

EASY TO MAKE A HABIT

A central, well-known destination people can fold into their week — so racing becomes a regular part of life, not a special trip across the city.

ENERGY

REAL CHARACTER AND SOUL

A place with genuine culture and energy. REDLN adds sport, movement and team spirit to the mix — and feeds off the same energy in return.

HOMEGROWN

WHERE HOMEGROWN BELONGS

REDLN is homegrown, not franchised — and Alserkal is home to independent, homegrown makers and brands. We'd be proud to grow up alongside them.

WE'D LOVE TO MAKE ALSERKAL **HOME.**

We think REDLN belongs at Alserkal Avenue, and we'd love the chance to explore it with you.

THE NEXT STEP

AN INTRODUCTION & A CONVERSATION

We'd welcome the opportunity to walk you through the concept properly, hear what's coming available at the Avenue, and see if there's a fit. No rush — just a first conversation to start.
